

The Central Missouri Humane Society needs your help. We currently have over 100 cats looking for their fur-ever homes, with more coming in every day!!! Our sweet and spunky feline friends deserve more than to be strays and shelter cats. To help increase our cat adoptions, we have temporarily lowered their adoption rates. It's only \$50 to adopt one and an additional \$25 if you adopt a second!

Also, this is just another example of why spaying and neutering is so important!! Barn cats, Mousers, strays, feral cats... they need to be spayed/neutered too! Remember to call and schedule those appointments! We offer a "barnyard special" for 3 or more animals!
