

Have questions about Chickens? We can help you out!

The Central Missouri Humane Society will **not** be able to take in stray chickens or re-house owned chickens, **but** we still want to help you answer your chicken questions.

www.freechickencooplans.com is a great resource to learn how to build an appropriate coop for your chickens.

For a free chicken care e-book, check out www.mypetchicken.com and scroll all the way down to the bottom left hand corner. This is a great resource for everything from how to raise and care for chickens to what breeds are best for you.

For further questions concerning Columbia's new urban chicken ordinance, please call the Columbia Boone County Health Department at 573-874-7355 or the Central Missouri Humane Society at 573-443-7387

GOOD LUCK!!
